## FOCUS Needs You!

Behind the faces of domestic violence, there are buried hidden treasures, the priceless jewels of God's creation. Since 1995, FOCUS Ministries has been dedicated to uncovering these precious gems and offering restoration, hope, and healing to teens, women, and families who experience domestic violence. Unfortunately, many women are reluctant to reveal the magnitude of their pain because of safety issues, fear of rejection and blame. Some have reached out for help and been hurt again. In some cases, even their church has failed them.

To that end, FOCUS Ministries also offers training for churches and for those who desire to start support groups. With annual seminars, webinars, and printed resources, FOCUS is equipping those who want to help the hurting. Developing a teen program using our TEEN FOCUS curriculum, FOCUS is proactively moving toward stopping the cycle of abuse.

FOCUS is committed to this crucial, expansive ministry but the needs are greater than the resources. That's why we need you. We need monthly supporters and generous one-time givers to partner with us. You can make a difference in someone's life.

FOCUS Ministries is a not-for-profit 501c3 organization that provides a safe place for teens, women, and families who experience domestic violence and abusive relationships to find hope and healing in Jesus Christ.
