**\* All fees are not refundable \***

Women who are entangled in abusive relationships find it difficult to determine how to respond and identify their options. They are so focused on trying to make the relationship work that they deny the damage the relationship is causing. Over time, women will experience a breaking point in which they decide to leave. Although clothed in fear, women step into the unknown not prepared for what can happen next.

***This is a half day faith based workshop.***

**3 CEU's Available for  
Licensed Counselors & Social Workers,  
ICDVP, PAIP**

# FOCUS FAITH BASED DOMESTIC VIOLENCE WORKSHOP

## TRAINING REGISTRATION

### OUR PRESENTER

Dr. Janssen is a clinical psychologist working in a private practice in Schaumburg, IL. She received her Masters in Social Work in 1999 and completed her doctorates in 2014. Dr. Janssen experienced her own domestic violence story which led her to work with others in the field for over 10+ years. She has three children, two with special needs.

Her practice specialties include working with individuals and families with mood disorders, PTSD/trauma, self-injury, domestic violence, post-partum depression, disordered eating, individuals with special needs and behavioral issues, autism, and ADHD.

Dr. Janssen also completes neuropsychological evaluations. A unique specialty she is certified in is Equine Assisted Psychotherapy which provides an experiential modality with horses to help individuals and families.

### Faith Based

### DOMESTIC VIOLENCE WORKSHOP

#### Course Description:

- ◆ You can only change you: How you perceive the behavior, how you react to the behavior
- ◆ How abuse presents itself in legal matters
- ◆ Manipulation over money matters
- ◆ How abuser can manipulate an individual through the children, time and custody.
- ◆ Documentation and Communication strategies
- ◆ How not to believe the abusers accusations, dealing with fears and how to distance yourself
