FOCUS Support Group Leaders Training Weekend

FOCUS Ministries offers a certificate program for support group leaders in our Partners in the Journey Seminars. The training includes an extensive training manual that covers all the aspects of starting a support group, the dynamics of support groups, domestic violence training, how to help a victim, and information on how to provide spiritual direction for victims of abuse.

Our training goes beyond the seminars. Our FOCUS support group leaders become part of a Christian community of leaders worldwide and a member of an established organization that has proven itself since 1995.

FOCUS Ministries is dedicated to serving our leaders by:

- ◆ Offering confidential one-on-one leader consultation regarding areas of concern and problematic issues
- ◆ Providing encouragement, support, and spiritual direction
- ◆ Providing prayer support
- ◆ Providing advertisement of support groups on our website

"It is hard to designate one area that blessed me. There is so much to take in and process, but my life will forever be changed by what I've learned in the past two days. Lives will be changed based on what I've learned and will be able to impart to others."
