

“These women are called, prepared, and surrendered to their crucial ministry. The stamp of God is on their lives and work. It’s my prayer that God will use their gifts across the world to draw thousands of women to the hope that Christ provides. ***This is one ministry I’m sold on.***”

Dr. Larry Crabb
New Way Ministries

“I commend FOCUS Ministries for helping the church in its battle against domestic abuse. After seeing the response to a message I preached on this topic, I’ve come to realize that domestic abuse is much more common in our churches than we would like to admit.”

“The materials and interaction I’ve had with FOCUS Ministries was helpful and very much needed. I pray that God will use FOCUS to awaken all of us to the reality of abuse as well as bring hope and healing to the victims.”

Dr. Erwin W. Lutzer
Senior Pastor, The Moody Church, Chicago, IL

"The church has long been blind to a serious problem and has missed many opportunities to minister to women who are being oppressed, battered, and emotionally abused through the misuse of power and scripture within the covenant of marriage. Focus Ministries seeks to remedy this through education, counseling, practical resources, small groups, and emotional support. Focus Ministries provide a godly lifeline to those who have lost all hope. The church needs Focus Ministries to help them learn how to wisely help these troubled families. I enthusiastically recommend their ministry."

Divine Romance

For every princess in disguise, this weekend will be a time to unveil the unique beauty God placed within you at your creation.

God invites you to experience the beauty, passion, and intimacy your soul has been craving. As you explore the story of your life, you'll get a glimpse of God's heart and the great romance He initiated before the dawn of time.

Redemption

Every person's story is pierced by wounds with powerful messages like "You'll never be good enough." From the pain of every day living to attacks from the enemy who fears who you are and what you might become, each person struggles to find truth and redemption. In this session, we will define the lies you have believed and take steps toward healing the wound—turning from self-defeating strategies and opening the door for Jesus to bring healing and hope.

Release

If lies, fear, and doubt did not stalk and paralyze your heart, what kind of woman would you be? What does God think of you? This session will help you see yourself through God's eyes and learn how to celebrate and release the woman God had in mind when He made you!
